

# PAINTING, DRAWING & MORE

## ADULT/TEEN PAINTING CLASSES

Ages:  
16+ yrs

\$145

plus materials  
7-week semester

This class is for people who are interested in learning a new skill, refining their drawing skills, or wanting to work with paints – from water color to water soluble oils. The class is available to any skill level, from beginners to advanced. Teens interested in this class should be 16 years of age or older, self-driven with an ability to work independently and have specific goals in mind. No two people work on the same image/subject and all artists learn to work in a variety of media of their choosing.

We welcome you to join The Artistic Hand family. That is how we feel about our studio and how we treat one another. We share feedback, our creations, the occasional sweet treat, and start every weekend on a high note!

**CLASS 1:** A review basic pencil handling, how to create a value scale using a variety of drawing pencils and tortillon, how to draw a still life object using implied line, and basic color theory using watercolor or colored pencils (Prismacolor Brand).

**CLASSES 2-7:** Students will be asked to bring a surface to work on: paper, canvas, or board. Canvas packs for acrylic/oil can be purchased at local art stores. For those wishing to work in watercolor, paper pads or Bristol board pads are a good start. For pencil/colored pencil/pen and ink, Bristol is recommended for its heavy weight and smooth surface. We recommend you visit a store and feel the paper itself before choosing.

## THE ARTISTIC HAND STUDIO

353 N Central Ave, Oviedo, FL 32765

You may want to purchase a set of paintbrushes suitable for the type of paint you intend to use: watercolor or acrylic/oil.

Brushes are available at local art/craft stores or online. It is recommended that you find a set with a variety of brush shapes similar to the image to the right.
