

BASKET WEAVING WITH CLAY

Make ♦ Bake ♦ Take Workshop Series

During this three-hour workshop, you will design, weave and accent “baskets” out of coils of red clay. The baskets will be fired once and remain unglazed showing off the natural beauty of the clay. Once fired, they make perfect outdoor planters or beautiful home accent pieces.

All clay and materials are included and you will be able to pick up your fired piece one week after the workshop. This workshop is designed for all skill sets, from ceramics beginners to clay experts.

Perfect for date night, girls night or to meet some fun, creative people. Just bring your imagination and enjoy a relaxing evening of clay.
